A modern and elegant carport, designed to be set-up easily

- Virtually unbreakable polycarbonate TwinWall panels.
- 4 Legged design provides easy & wide access.
- High impact structure and hail proof glazing panels.
- Super seal roofing system - Provides great sealing performance under severe weather conditions and prevents panels from thermal expansion damages.
- Aluminum and galvanized steel rust resistant powder coated frame.
- DIY assembly - 2 persons, no special tools, requires only solid surface.
